I hope all is well.

I am writing in regards of finding a new Counsel.
 I currently have Guy Oksenhendler representing me & I'm not satisfied with his services.

He does not contact me or my family, I constantly reach out to him & he does not write back. My family as well as the counselors here at MCC have tried numerous times to call him & he never answers the phone, and his mail box is always full.

I know you are aware that I'm here on a violation, I have 22 months in already & I'm fighting a state case. I was told the state case was the reason I was being held. With all the COVID 19 going on outside I'm currently on bail for that case. I've tried to have Guy put in bail applications because I have bad health issues. Since I've been back here at MCC there has been 4 fire's, the last one being December 1st 2020 in the 9S Special housing unit where I was placed after being assaulted. At this time there was a fire, I was trapped in my cell & passed out from smoke. I have real bad asthma & I awoke in the visit room cuffed with 30 other inmates. I didn't receive medical attention right away until 6 days later. I tried then to reach out to my counsel which I got no answer.

my State lawyer Tells me he havent heard from Guy

In months in which he has been emailing him.

I'm Just asking for a New Counsel & for you to look into

All that I have been through & Inured here and a little

violation. If it's Possible for me to be able to get the

Compassionate Release or bail. I Coming back to this

Place has humbled me & I Actually Changed Into a better

Human being. I'm No longer Trying to find myself. You been

my Judge Since I was 21 years old I'm Now About to be 26

years old. I'm Done with this life, I'm Just asking for

another Chance to show you. If you let me go I Promise

to be a better man & raise my Daughter & son who is

About to be 2 years old, I havent even met them yet. I

Never had a father I just want my kids to have one.

I will follow all Rules to Programs & Every Stipulation.

my State case that Im Fighting, I'm currently on bail

Right Now for I Just ask that you see all that

I've been through & Grant me another chance at a

life. Even if its for a little while. Due to Covid I'm scared

I might Not see my loved ones long. Please & thank you.
